I received the attached letter by certified mail this morning. The requested items were generated during my tenure with EPA-ORD-NRMRL. I am currently with ORD-IOAA.

Please advise.

Best Regards,
Chris

Hi Chris,

Please send a scanned copy of the certified letter that you received requesting data to the main FOIA Help Desk at HQ.FOIA@epa.gov (1-855-246-3642). That office will log in the request with a tracking number and will assign it accordingly.

Feel free to copy me when you send it along; that will give me a heads up as to what NRMRL will be tasked to search and review.

Thanks,
Suzanne

Re: EPA Report(s) for Eureka/Williamsport Sampling/Characterization Events and EPA Report(s) for
Other Shale Gas Wastewater Sampling/Characterization Events

This is a request under the Freedom of Information Act (FOIA) (5 U.S.C. 552). We request that the following information and/or copies of the following document(s) be provided to us:

- A list of the oil and gas wastewater treatment or storage facilities that were sampled and a summary of the types and numbers of samples collected including any sampling/characterization plans that were prepared.
- Data summary tables for the various sampling/characterization events
- Copies of draft and final reports that were prepared for the sampling/characterization events.

Please call me at commercial number (716) 572-3097, if you need to discuss any aspect of our request.

Yours truly,

Kent R McManus, PE
